**BLISSCO COMPLETES ACQUISITION AND CLOSES OVER-SUBSCRIBED
FINANCING**

Vancouver, British Columbia – February 26, 2018 – BlissCo Cannabis Corp. (“Company”) announces that it has completed its previously announced acquisition (the “Acquisition”) of Bliss Co Holdings Ltd. (“BlissCo”) effective February 23, 2018.

In conjunction with the Acquisition, the Company has completed an over-subscribed financing of 18,684,043 units (“Units”) at \$0.30 per Unit for aggregate gross proceeds of \$5,605,213 (the “Financing”). Each Unit is comprised of one common share (“Share”) and one Share purchase warrant (“Warrant”). Each Warrant entitles the holder to acquire one Share at an exercise price of \$0.60 for a period of two years, provided that the Company may accelerate the expiry date by providing 20 days’ notice in the event that the Shares have a volume weighted average price of \$0.80 or higher for a period of 10 consecutive trading days. All securities issued under the Financing were issued on a post-consolidated basis and are subject to a four-month hold period in accordance with applicable securities laws.

Trading on the CSE under the symbol BLIS is expected to commence early this week.

"Closing of the Acquisition represents a significant milestone for the Company as we look to complete the construction of our facility," said the Company’s Chief Executive Officer, Damian Kettlewell. "The capital raised under the Financing will be used towards completing the steps necessary for the Company to obtain a license to produce and sell marijuana."

Further information regarding the Acquisition is set forth in the Company’s listing statement (“Listing Statement”) supporting its application for listing on the Canadian Securities Exchange (“CSE”). A copy of the Listing Statement is available under the Company’s profile at www.sedar.com.

About BlissCo

BlissCo is constructing an urban Access to Cannabis for Medical Purposes Regulation (ACMPR) cultivation facility with a focus on being a high-volume packager, processor and distributor of recreational cannabis when it is legal in Canada, which is currently anticipated to be by July 2018, and of medical cannabis. It recently took ownership of its 12,600 sq. ft. industrial facility in Langley, British Columbia and considering the May 2017 changes Health Canada announced to the licensing process BlissCo is confident that its license will be earned shortly after completing construction.

With an ACMPR cultivation and then a sales license BlissCo will grow and sell dried cannabis and cannabis oil to approved medical patients through its online portal and service excellence call centre.

BlissCo will focus on high volume sales opportunities in the legal cannabis market when individual distribution models are established by Canadian provinces and territories.
